

HCA MIDDLE SCHOOL (Armdale Campus)

We invite you to take advantage of a unique opportunity to partner with Halifax Christian Academy so your Middle School student(s), from grade 6 through 8 receive the blessing of a great education in alignment with your Christian values, in smaller classes, with more individual attention WHILE growing in their faith!

ACADEMIC TRAINING

HCA Middle School offers students an opportunity to learn and grow in an 21st Century Education environment where they learn communication, co-operation, collaboration skills and creativity is encouraged. Students are taught the core subjects in a positive environment that promotes growth and confidence and life skills classes are included in the curriculum. Inter-grade activities are included in the program which gives students of various maturity levels the opportunity to interact in formal and informal settings. Teachers are committed to modeling Christ and Christian values to the students while giving them a strong academic foundation from which to build on in high school and beyond.

OUR LEARNING ENVIRONMENT

The Middle School learning environment includes rooms of various sizes to be adapted to the activity and size of the class. Students have access to personally assigned chromebooks, which enhances and expands the resources available to them for presentations that are meant to demonstrate their learning. Off-campus learning excursions are held periodically throughout the year to give students more hands-on learning experiences.

DISCIPLESHIP

At HCA, discipleship is not a program it is a culture. We are called to help students learn about the Christian faith. We encourage them to ask questions, which we can then answer in a safe and supportive setting. Our goal is to see our middle school students loving the Lord, growing in their faith, and serving Him both in the school environment and outside in the extended community. We strive to see students becoming disciples together, and positively impacting others. For a Christian school student, the simple ability to pray (individually and in groups) and to read their Bible, without fear of reprisal, may be the biggest blessing of all.

To inquire about enrolling in HCA Middle School and learn about tuition discounts and incentives that are now available, please email admissions@halifaxchristianacademy.ca.
